

THE NEW MINI COOPER CONVERTIBLE.

ALWAYS OPEN. ALWAYS MINI.

The new MINI Cooper Convertible is ready to take on the world (and weather) with you. Sporty and stylish with space for four, this is open go-kart feeling reimaged – and will have you seizing the day trip. With its minimalistic and smooth exterior design, flush & clean surfaces and short overhangs, you'll be turning heads every time you turn a corner – and clocking up hours on the Always Open timer.

ICONIC FROM SOFT TOP TO BOTTOM.

Maximise the classic MINI vibes by opting for the Union Jack-styled soft top. On the back, the newly designed rear lights provide an extra dose of individuality and charm. You also have the option to customise your welcome and goodbye greeting with three light signatures.

UNCOVER MORE THRILLS.

The new MINI Cooper Convertible is a progressive purist, which combines minimalism with comfort and innovation.

MINI EXPERIENCE MODES.

Reflect your own mood. The MINI Experience Modes open a world of connected and emotional experiences that awaken your senses. Each mode is a specially coordinated interplay of visual design, ambient lighting, and sound design. With just one command, you can completely change the look of your cockpit.

OLED, OLED OLED OLED.

The pulsating heart and centre of your cockpit is the unique, round OLED display. With state-of-the-art OLED technology, a diameter of 240 mm and a high-quality glass surface, the display has a distinctive, minimalist look. It serves as an instrument cluster and controls at the same time the infotainment and assistance systems. The round shape is a world innovation and embodies an iconic piece of MINI history.

GOING NEW WAYS WITH INNOVATIVE MATERIALS.

Using fabrics, MINI establishes a completely new aesthetic. The new material we use for the cockpit and door panels creates a particularly pleasant ambience. The fabric is made from high-quality, recycled materials and easy to clean. It offers a pleasant tactile experience, more design options and serves as the perfect canvas for the exciting projections in the various MINI Experience Modes.

LESS IS MORE.

With a head-up display*, touch screen and voice assistant, this is our most minimalist interior design ever.

HIGHLIGHTS ONLY.

ROOF DOWN, TIMER ON.

The iconic Always Open timer has been integrated into the centre control unit, so you can keep track of time spent driving with the top down.

TOUCH ME.

OLED display as a central control unit with a diameter of 24 cm, fully functional and operable via touch.

ALWAYS CONNECTED.

Operating System 9 with a new aesthetic, and an emotional & easy-touch operation that is uniquely MINI.

TACTILE TOGGLING.

The toggle bar is the epitome of MINI typical interior design – minimalistic yet innovative.

MINI EXPERIENCE MODES.

Select from seven MINI Experience Modes*, including personalisation options.

WITH A CLEAR CONSCIENCE.

Vescin imitation leather for seats* and steering wheel. New knitted material in the dashboard and door area made from recycled polyester.

* The equipment shown is part of the functional packages or a trim.

CLASSIC TRIM.

With the Classic Trim, MINI brings a modern 2D knitted fabric for the first time into the interior of a production vehicle. On the dashboard and in the doors, the two-tone or black knitted material builds a fascinating contrast to the high-quality Vescin synthetic leather seats. It is available in grey or black with a perforated houndstooth pattern; the side surfaces are in a contrasting blue fabric. On the outside, the radiator grille is finished in high-gloss black and the MINI logo in Vibrant Silver. Your MINI sales consultant will be happy to inform you about possible combinations of model, trim and functional packages.

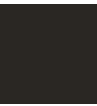

FEATURES.

Seats:	Double-cloth perforated synthetic leather Vescin in grey or black with blue fabric insert.
Steering wheel:	Three-spoke sport steering wheel in synthetic leather Vescin, stitching and accents in Vibrant Silver.
Interior finish:	Dashboard and door trim in black/blue two-tone knitted material.
Rims:	16" 4 Square Spoke 17" U-Spoke grey 17" Parallel Spoke 2-Tone 18" Slide Spoke 2-Tone

Note: Description and illustration exemplary for MINI Cooper S Convertible. Changes can be made at any time.

PAINT COLOURS.

Note: The small squares indicate the mirror cap colours available for combination with each body paint option (large squares).

  Nanuq White.	   Midnight Black.	   Melting Silver.
   Chili Red.	   Ocean Wave Green.	   Sunny Side Yellow.
	   Blazing Blue.	   Copper Grey.

FAVOURED TRIM.

The Favoured Trim is modern and sophisticated, yet has a very special and individual style. It is the most expressive trim for true individualists with a two-tone houndstooth pattern on the knitted dashboard. The JCW sport seats in Vescin perforated synthetic leather, available in two colours and with traditional accent stitching, complement this extravagant trim level with dark and bright options. On the outside, the radiator grille in Vibrant Silver stresses the vehicle’s front end. Your MINI sales consultant will be happy to inform you about possible combinations of model, trim and functional packages.

FEATURES.

Seats:	JCW sport seat in synthetic leather Vescin with piping and seam in beige or Nightshade Blue.
Steering wheel:	Three-spoke sport steering wheel in synthetic leather Vescin. Stitching and accents in Vibrant Silver.
Interior finish:	Dashboard and door trim in 3D-knit grey/beige.
Rims:	17" U-Spoke grey 18" Night Flash Spoke 2-Tone 18" Slide Spoke 2-Tone

Note: Description and illustration exemplary for MINI Cooper S Convertible. Changes can be made at any time.

PAINT COLOURS.

Note: The small squares indicate the mirror cap colours available for combination with each body paint option (large squares).

  Nanuq White.	  Midnight Black.	  Melting Silver.
  British Racing Green.	  Ocean Wave Green.	  Indigo Sunset Blue.
  Icy Sunshine Blue.	  Blazing Blue.	  Copper Grey.

JOHN COOPER WORKS TRIM.

The JCW Trim shows the new material concept in a maximally sporty interpretation. The JCW seats have the same geometry as the sport seats, combining multi-coloured knitted material and synthetic leather with red stitching and continuing the black-red colour concept of the knitted dashboard and interior door panels. The JCW Trim has an individual front and rear design to underline the sporty claim. Radiator grille surround and logo in high-gloss black underline the powerful overall impression. JCW specific black bonnet stripes are included with all paint colours, except for Midnight Black. Your MINI sales consultant will be happy to inform you about possible combinations of model, trim and functional packages.

FEATURES.

Seats:	JCW sport seat in perforated synthetic leather Vescin with headrest and shoulder area in JCW Black and red knit.
Steering wheel:	JCW three-spoke sport steering wheel in synthetic leather Vescin. Seam in red.
Interior finish:	Dashboard and door trim in two-tone black/red knit.
Rims:	17" John Cooper Works Sprint Spoke black 18" John Cooper Works Lap Spoke 2-Tone
JCW:	Blackbends in high gloss black. JCW brakes in black. JCW logo in front grille.

Note: Description and illustration exemplary for MINI Cooper S Convertible. Changes can be made at any time.

PAINT COLOURS.

Note: The MINI Cooper Convertible with JCW trim always has black mirror caps (all paint colours) and black sport stripes (except for Midnight Black).

  Nanuq White.	  Midnight Black.	  Melting Silver.
  Legend Grey.	  British Racing Green.	  Chili Red.
	  Blazing Blue.	  Copper Grey.
